August 2011

[CALENDAR](#)

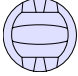

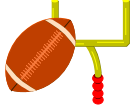

The following is a list of our league and tournament dates and finals. Please try to work with us in scheduling your science fairs, field trips and etc. League play is easier to reschedule than tournament play.

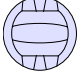

**All of these dates are subject to change because of gym or field availability and weather conditions.**

\*\*\*Due to the large amount of out of town field trips during softball, soccer and track, we now find that we are unable to schedule around your field trips. We will still schedule around graduations, confirmation, etc. If your event is not a school or parish activity we will not reschedule events.

If you know of any school or parish events coming up in the future, please contact the C.S.A.A. office one month prior to tournament play. After the schedules are mailed out, it's very difficult to reschedule games because it affects many gym workers, the officials, and teams.

Thank you for your help.  
 Jim Frame, Executive Director
